Please be advised that the City of San Diego Solid Waste Local Enforcement Agency (LEA) received and is considering an application to revise the Compostable Materials Handling Permit for the Miramar Greenery Composting Facility. The LEA is certified by the California Integrated Waste Management Board to enforce state laws and regulations at solid waste sites within the City of San Diego, including all active and closed landfills.

Description of Project and LEA's Determination

Environmental Services Department is requesting a permit revision to expand the facility from 29.46 acres to 74.46 acres; to increase the permitted daily tonnage from 460 tons per day to 690 tons per day; and in addition to accepting source separated green material, wood, drywall, food scraps, and paper; they propose to accept grease and manure. The LEA has accepted the permit revision application package as complete.

Where copy of application can be reviewed

A copy of the approved application is available for public review by appointment in the LEA office located at 1010 Second Avenue, 6th floor, San Diego, CA 92101.
